Family Lunch Monitor Duty

Many Santa Maria School families choose to help supervise the lunch *and* recess period for our students. One adult from each family must be available to monitor the lunch hour at school, 11:00 am - 12:00 pm for one week during the school year. If a situation arises in which the assigned family cannot monitor on a particular day, a substitute **MUST** be obtained and the school should be notified in the morning with the name of the substitute. The \$75.00 fee is not assessed to those families who volunteer for lunch duty.

If you choose not to participate, the \$75.00 fee will be added to your tuition fees.

Failure to report or obtain a substitute for lunch duty during the assigned week will result in an automatic assessment of the entire Family Lunch Fee of \$75.00 for the inconvenience of the school having to replace the assigned family.

Please return the completed form with other registration documents.
